

Yaroslav Khambir

Berlin • the.khambir@gmail.com • [LinkedIn](#) • [Portfolio](#)

Frontend Developer with a strong foundation in React, JavaScript, and modern frontend technologies. Passionate about creating responsive, user-friendly web applications and continuously improving my skills. Currently enhancing my expertise in Redux Toolkit while building real-world projects. Seeking an opportunity in a dynamic team where I can contribute, learn, and grow as a professional frontend developer.

Experience

Frontend Developer

Berlin, 2024-present

Freelance Developer

- Wrote clean, maintainable code for various client projects, consistently meeting
- deadlines and receiving positive client feedback.
- Successfully developed and deployed a responsive website using React
- Developed and maintained responsive websites using HTML, CSS, and
- JavaScript for various clients.
- Collaborated with designers to implement user-friendly interfaces and enhance
- website functionality.
